

CorrecTek Advantage Plan

Configuration & Training—on your terms

Unlimited Configuration

Change requests? Covered.

Training When It's Needed

Refreshers? Onboarding? Included.

Predictable Pricing

*No hourly charges. No surprises.
Just consistency.*

All Part of the Plan

Configuration changes happen when your team needs them—no quoting delays or budget barriers.

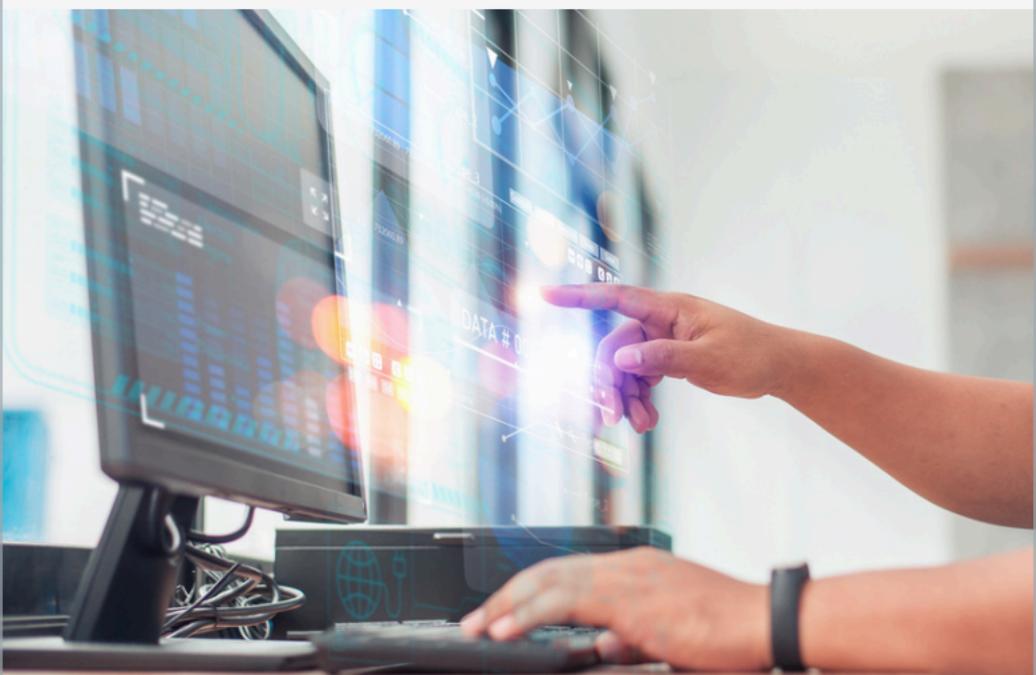

With each requested change, your reports, documentation and workflows stay aligned with your operations.

Training is available when it's needed to keep your team on track.

One simple price. Everything's covered. Nothing unexpected.
